Row Between Westpark (N. J.) Declare That If Other Demo-Congregation and Pastor Results in Unique Contest-Pastor Won't Be Removed.

These are lively days for the congregation of the Second Baptist but there's one town in the State Church of Westpark, N. J., and the still talking of the result. Over at Rev. R. A. It was also voted to hold song services only until a successor to Mr. Bolen could be selected.

Sunday morning Mr. Boien preached, but his voice was drowned by the singing. Two constables were with the minister, ready to arrest any one who might resort to violence. No one did more than sing to drown the minister's voice, and this was done effectively.

Nothing if not brave, the Rev. Mr. Bolen tried to preach again Sunday night, and once more he could not hear the sound of his own voice for the singing. A man in the congregation arose to repeat the Benediction, but the Rev. Mr. Bolen beat him to it, and two Benedictions were said.

Lydia E. Pinkham's Vegetable Compound. "DEAR MRS. PINKHAM:—I have been so blessedly helped through the use of Lydia E. Pinkham's Vegetable Compound that I feel it but just to acknowledge it, hoping that it may help some other woman suffering as I did. "For years I enjoyed the best of health and thought that I would always do so I attended parties and receptions thinly clad, and would be suddenly chilled, but I

did not think of the results. I caught a bad cold eighteen months ago while menstruating, and this caused inflammation of the womb and congested ovaries. I suf-fered excruciating pains and kept getting worse. My attention was called to your Vegetable Compound and the wonderful cures it had performed, and I made up my mind to try it for two months and see what it would do for me. Within one month I felt much better, and at the close of the second I was entirely well. "I have advised a number of my lady friends to use it, and all express them-asives as well satisfied with the results as I was."—MISS ROSE NORA HENNESSY,

410 S. Broadway, Lexington, Ky The experience and testimony of some of the most noted women of America go to prove beyond a question that Lydia E. Pinkham's Vegetable Compound will correct all such trouble and at once, by removing the cause, and restoring the organs to a normal and healthy condi-

"DEAR MRS. PINKHAM: About two years ago I consulted a physician about my health, which had become so wretched that I was no longer able to be about. I had severe backache, bearing-down pains pains across the abdomen, was very nervous and irritable, and this trouble grew worse each month. The physician prescribed for me, but I soon discovered that he was unable to help me, and I then decided to try. Lydia E. Pinkham's Vegetable Compound, and soon found that it was doing me good. My appetite was returning, the pains disappearing, and the general benefits were well marked.

You cannot realize how pleased I was, and after taking the medicine for only three months I found that I was completely cured of my trouble, and have been well and hearty ever since, and no more fear the monthly period, as it now passes without pain to me. Yours very truly, MISS PEARL ACKERS, 327 North Summer St., Nashville, Tenn.

When a medicine has been successful in restoring to health more than a million women, you cannot well say without trying it "I do not be-lieve it will help me." If you are ill, do not hesitate to get a bottle of Lydia E. Pin ham's Vegetable Compound and write Mrs. Pinkham, Lynn, Mass., for special advice. Her advice is free and helpful. Write to-day. Delay may be fatal.
